Intimate and truly boutique, like being on a private yacht.

THE CONCEPT

Mind, body & soul

This Cruise is about boutique cruising redefined. It's about unique journeys of discovery of new places and a new you. An holistic approach that embraces mind, body, and soul aboard yacht-like havens of comfort & style. A balanced fusion of wellness, relaxed fun and exciting cultural experiences. A completely new concept at sea. Our first ship, the Elysium, takes you on beautiful, immersive journeys, while rejuvenating, exhilarating and educating you. The Elysium sails the GREEK ISLANDS in the summer and along the pristine coasts of OMAN during the winter months. Join us solo, as a couple, with friends or with family. Be active or relaxed. Be as sociable as you like. Whichever way you choose, be prepared to embark on one of the most fascinating & enriching journeys of your life.

AUTHENTIC EXPERIENCES

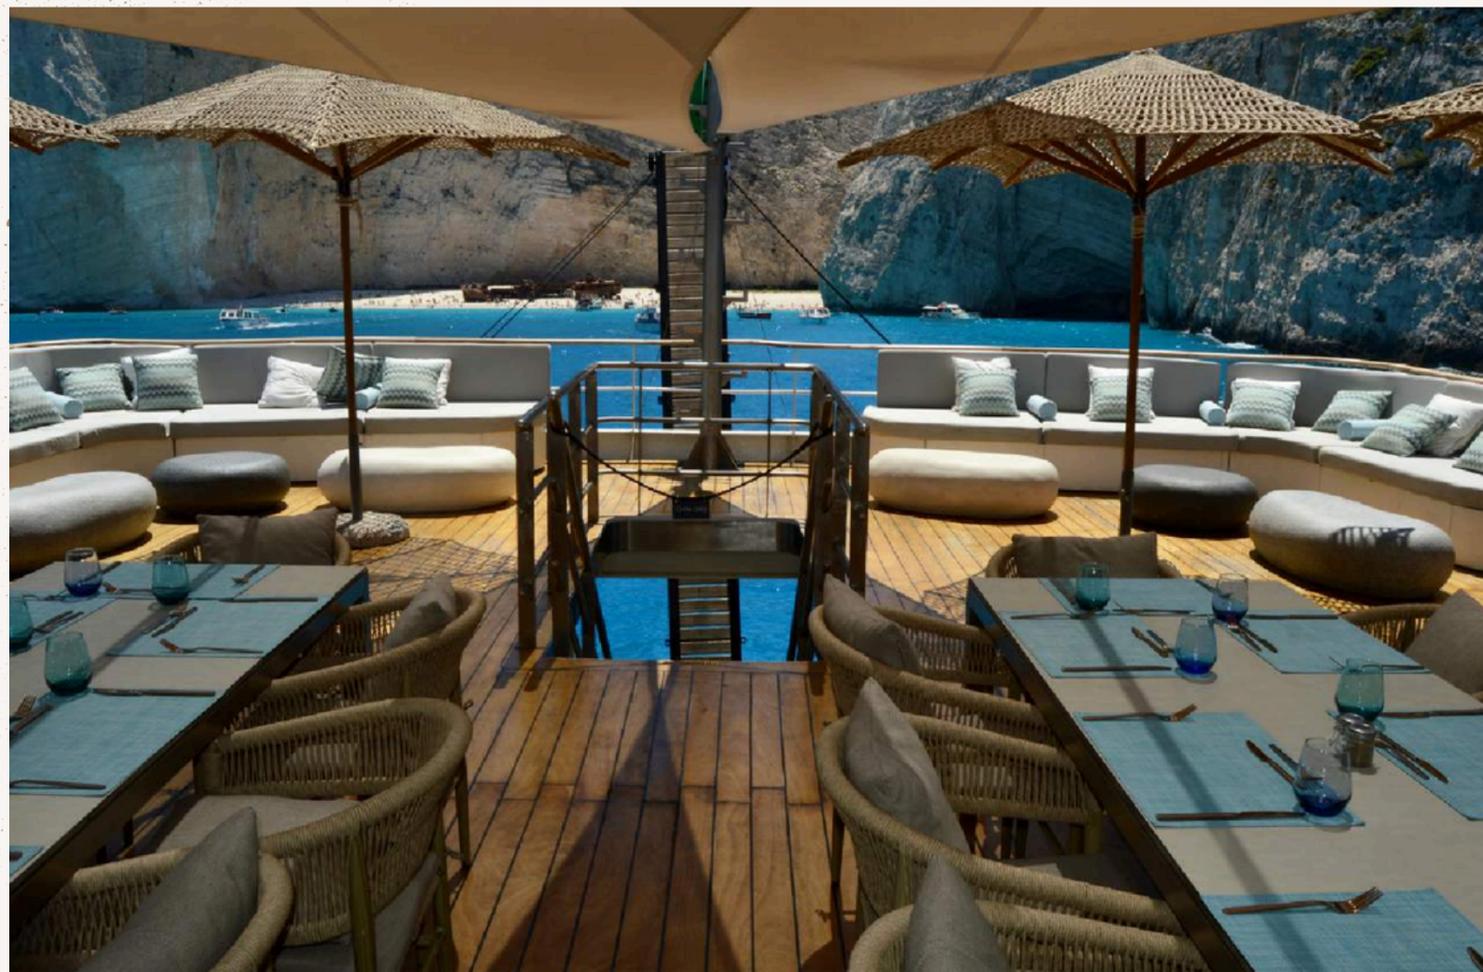

Precious & Pristine

Hidden gems, hand-picked destinations and immersive cultural experiences await.

Visit iconic islands like Santorini and Mykonos but also hidden gems, never visited by large cruise ships, like the pristine island of Kimolos or the Daymaniyat islands in Oman.

Swim in beautiful coves only accessible by small ship, experience a family farm and cook with locals, explore sea caves, snorkel over a mystical submerged city and visit ancient sanctuaries and temples. These are some of the unique adventures you can expect during your Elixir cruise.

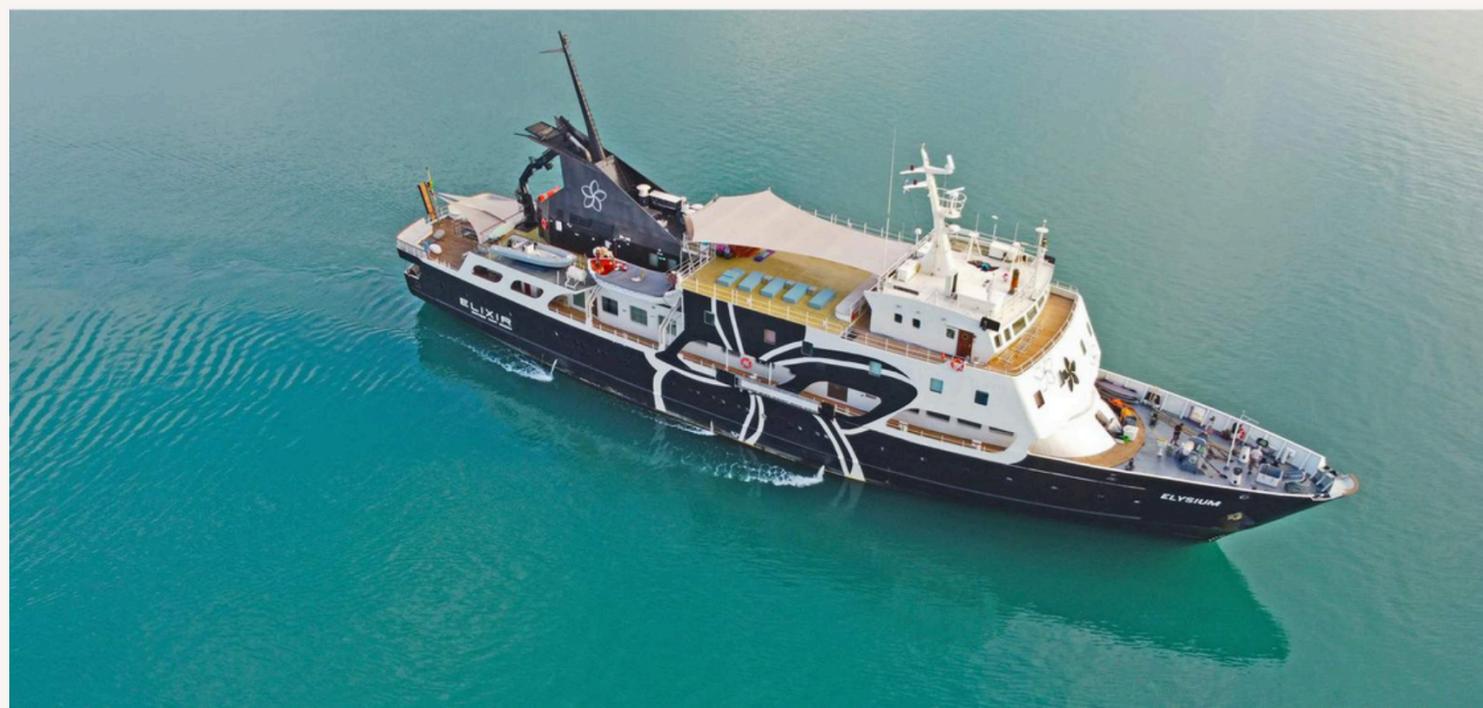

ABOUT THE ELYSIUM

More than a cruise ship

With only 25 stylish cabins, the Elysium is a genuinely boutique cruise ship. A ship where the focus is on you and our motto "your smile, our smile". Where everyone will go above and beyond to make you happy and you will know everyone by name. Where fellow passengers become life-long friends and memories stay with you forever. Your time on board the Elysium will be nothing short of spectacularly unique, nothing like you have ever experienced before on a cruise.
