

THE ELYSIUM - Small ship cruising at its best

At 64 meters length and featuring only 25 spacious and elegantly decorated cabins, the Elysium is a genuinely boutique cruise ship. A journey with the Elysium is nothing short of unique, a balanced fusion of relaxation, wellness, exploration and fun that feels like an “elixir of life”.

The Elysium boasts large interior and exterior areas, a Wellness & Sun Deck equipped with jacuzzi, a spa suite, a mini gym and many water toys like glass bottom kayaks, SuPs and snorkeling equipment. Deliciously healthy Mediterranean cuisine, personalized service with a guest to crew ratio of 2:1 and an array of activities, including cultural tours and daily group wellness sessions guarantee an unforgettable experience.

Discover ancient civilisations, learn a new craft, have a massage, meditate at sunset, enjoy a chilled drink, hike a volcano, fish with locals, snorkel, stargaze, read a book. You decide. Elysium awaits to soothe your soul and excite your senses. There is never a dull moment onboard, as the Elysium offers the best of both worlds: the many choices of a larger ship and the magic of a yacht-style cruise, where you get to discover pristine coves only accessible by small boat and jump straight into the crystal clear waters.

Join us solo, as a couple, with friends or with family. Be as active or relaxed, as sociable or as private as you wish. Whichever way you choose, the Elysium will pamper you, spoil you and captivate you forever.
