

VALTUR CERVINIA CRISTALLO SKI RESORT 5*

Breuil / Cervinia (AO)

DESCRIPTION

The new and exclusive Italian Lifestyle hotel located in Cervinia, at the top of the Aosta Valley, the Italian kingdom of high altitude sports all year round. The hotel complex is located in Cervinia which together with Valtournenche and Zermatt make up a large area with about 350 km of slopes linked by a dense network of lifts. In Cervinia ski lifts are open every day from mid-October to the beginning of May. A winter that also goes through autumn and spring, thanks to the high altitudes and the quality of the snow, which is never lacking. And for those who want to experience the thrill of skiing even in summer, the Plateau Rosa glacier awaits all winter sports lovers with the ski lifts open from the end of June to the first week of September. The hotel is located at the foot of Monte Cervino, also known as the Matterhorn, at 2.050 m (6,726 feet). The ski lifts and the town center are only 800 m away (0,49 miles). At the top of the Aosta Valley, the compact town's centred around a car-free, cobbled street where you can browse the shops and visit streetside cafés.

HOW TO GET THERE

The hotel is 110 km (68 miles) from Torino airport, 180 km (112 miles) from Milano Malpensa airport and 205 km (127 miles) from Milano Linate airport. For those traveling by train, it is possible to reach Cervinia from Torino Porta Nuova train station to Chatillon and then continue to the hotel by booking our transfer service (30 minutes). For those who arrive by car: from Torino take the A5 motorway and exit at Chatillon: then follow the SR 46 towards Cervinia; from Milano take the A4 motorway for Torino, at Santhià take the A5 motorway in the direction of Aosta. Take the exit for Chatillon and then continue to the SR 46 for Breuil Cervinia. GPS: Lat.: 45.92926, Lon.: 7.62875.

SKI AREAS

Excellent snow conditions and long hours of sunshine on some of Europe's highest slopes. At 2,006 metres above sea level, Cervinia offers a snow-sure ski season with a fantastic selection of slopes to suit skiers of all experience levels. Cervinia boasts the highest altitude snow park in all of Europe (2,800 metres), there are three kids ski zones, a phenomenal network of interconnected ski lifts with the capacity to cater for a remarkable 36,995 skiers per hour and can transport skiers to altitudes of up to 3,883 metres (Piccolo Cervino). The sunny plateau, located at 3480 m above sea level, offers a wonderfully beautiful view of the Breithorn. From Plateau Rosa you can take the Ventina slope up to Valtournenche. A real workout of almost 2000 m in altitude and about 18 km long. Brand new, opening in July 2023, is the slick Alpine Crossing - the highest gondola in Europe linking Testa Grigia in Italy to the Matterhorn Glacier Paradise in Zermatt. At the top, there's a 360° viewing platform, a 'glacier palace', fine dining, ski slopes, plus hiking and biking trails. With wheelchair access, it's accessible for everyone.

ITALIAN SKI AREA: Cervinia-Valtournenche

With the Cervinia-Valtournenche ski pass customers enjoy 156 km of slopes and 19 ski lifts. The 20 km long red track leads from Plateau Rosà towards Cervinia, making a difference in altitude of 2000 m. The beautiful slopes, close to the resort, as well as predominantly flat terrain on the Plan Maison and wide, well-groomed slopes that extend throughout the entire area are suitable for beginners. Several kinder lands and baby parks entertain little skiers with magic carpets and paths suitable for exercise. For snowboarders, in Plain Maison there is Indian Park. For cross-country skiing lovers there are 3 km of tracks in Cervinia; a 4 km loop in Champève and a 6,5 km track in Maen (3 km from Valtournenche).

INTERNATIONAL SKI AREA: Cervinia-Valtournenche-Zermatt

The Cervinia-Valtournenche-Zermatt area is one of the largest in the alps, with a varied "domaine skiable" beyond compare. The ski area stretches through three valleys in two countries, Italy and Switzerland, from the 3883 m Piccolo Cervino descending to the 1524 m of Valtournenche. The 350 km of ski runs offering the chance to ski all day without ever repeating the same run twice, alternating easier runs with those of increasing difficulty.
