EXTREME TERRAIN

The Extreme Limits are not for the faint of heart. This terrain is the next step beyond double diamond with extreme steep pitches and blind cliffs, and should only be entered by the most intrepid. Watch for rocks, trees, and other natural hazards that come with ungroomed terrain. May be closed at any time due to avalanche hazards or other adverse conditions. The Ski Safety Act describes this terrain as "Cliffs with a minimum 20 foot rise over 15 foot run and slopes with a minimum 50-degree average pitch over 100 foot run." Please watch for the ◆◆ signs and be responsible.
